

COVID-19 UPDATE

Foot Health Center, LLC will be offering Telemedicine services in addition to our regular in-office visits.

At Foot Health Center, LLC the safety of our patients as well as our staff is our top priority. Foot Health Center, LLC is working to comply with both state and national recommendations regarding social distancing while continuing to provide superior care. While our office remains open,

With need to maintain social distancing as much as possible, we are forwarding on recommended procedures that can minimize patient gathering in waiting rooms as well as common areas such as elevators and lobbies. It is recommended to have patients who have scheduled appointments to call our office upon arrival but to wait in your car until such time that we call you up to immediately be brought into an individual exam room, thereby minimizing any gathering in waiting rooms. If the patient is accompanied by anyone, such as a family member or friend (excluding a minor) they are asked to wait in their car, unless their assistance to the patient is needed.

We are additionally conducting Telemedicine appointments to help maintain continuity of care. If you would like to schedule a virtual appointment, please call our office for more details.

Please do not hesitate to contact our office with any questions or concerns.

Thank you.
